

**NOW
OPEN**

Introducing: BluePearl – Charlestown!

We are very excited to be joining the Charlestown community! Our new hospital will offer:

- 24/7 emergency and critical care services
- Anesthesiology
- Internal medicine
- Surgery
- Minimally invasive surgery

At BluePearl-Charlestown, patients will have access to advanced technology, including:

- A 64-slice Toshiba CT machine
- Digital X-rays
- Ultrasound
- Endoscopy

We are just three minutes from Rt. 93 (Exit 28) and are a short walk from the Orange

Line. Parking for critical cases is reserved at our front door; others may park on the street or in an adjacent lot. Our caring, dedicated staff is looking forward to partnering with you and your clients at our new hospital. Questions? Please contact Jodi Melvin from our Veterinary Relations team at jodi.melvin@bluepearlvet.com.
